

Colour Guidelines including Metallic Paints

Shades of Green:

- Strong Phthalo Green, Chrome Oxide Green, Turquoise, Metallic Malachite and Metallic Olive.

Landscape effects:

- Chrome Green Oxide, Dark Brown, Orange Oxide, Yellow Oxide, Maroon Oxide, Strong Phthalo Green (not too much) and Metallic Olive.

Shades of Blue:

- Strong Phthalo Blue, Purple, Deep Violet, Turquoise, Black and Metallic Azure.
- For sea and ocean effects leave out the purple and usually include white.

Bright Vibrancy:

- Bright Yellow, Bright Red, Blaze Orange, Cerise Pink, Purple, Metallic Bright Gold, Metallic Bright Silver and Bright Neon Paints.

Shades of Yellow:

- Bright Yellow, Yellow Oxide, Blaze Orange, Metallic Bright Gold and Metallic Amber Gold

Shades of Red:

- Bright Red, Red Oxide, Purple, Metallic Rufous and Metallic Rose Gold.

Earthy Hues

- Maroon Oxide, Yellow Oxide, Orange Oxide, Red Oxide, Chrome Green Oxide, Dark Brown, Metallic Copper and Metallic Bronze

Night Effects:

- Black, Charcoal Grey, Strong Violet and Strong Phthalo Blue (not too much).

Dazzlingly Bright Fluorescent Colours

(Note that the following colours ranges are not lightfast and will fade outdoors):

- 6 colours of Bright Neon UV Paints (all with good opacity).
- 6 colours of Bright Neon UV Fabric Paints. (Even more vivid but with low opacity. Despite being Iron-on Fabric Paint they are suitable for Acrylic Pouring).
